# THE ROMANS

This immersive experience which serves up “brutally good fun” has been voted #1 outdoor activity on Tripadvisor (as voted by you, the traveller!) and is fast becoming the most popular activity in Liverpool. # PUBS & CLUBS

## THE 4 DIFFERENT ZONES

OK, so we have our activities booked. Now we will plan our attack on the pubs & clubs! In my humble (expert) opinion, I think the next logical step is to pick which area of the city you want to sample. Each of the 4 areas below have their own little eccentricities. So let's find out which area you identify with most. Let's personalise this weekend, shall we?

**BAR**

## ZONE 1

# BALTIC TRIANGLE

Over the past few years the Baltic Triangle has become a figurehead for the underground and 'trendy' area of town. Appealing to a cross-section of people, popular with more 'hipster' types, you know the ones - they enjoy drinking their gin and tonic out of an 18th Century Victorian Vase or eating a Bulgarian cheesecake served off a satellite dish.

Fortunately, this is not all the area has to offer, it has a range of bars with different types of music ranging from house to funk, which appeal to the more laid back people who prefer something different to the hustle and bustle of the main areas in

## PEAKY BLINDERS BAR

"It Was F\*\*\*\*\* Biblical, Mate." A quote from the TV Show Peaky Blinders in which Alfie Solomons recounts his weekend away in Liverpool. Fan of the show? Well you should check this place out. Get a whiskey down your neck, my friend. By order of the Peaky Blinders!

## BIRDIES BAR & BBQ

Birdies Bar is in the heart of the Cains Brewery. A cool little tropical vibe going on here with some tasty street food and funky themed cocktails. Pink Parrot Spritz or Flamingo Cooler?

## PUNCH TARMEYS

A huge Irish Pub. An Irish Pub on steroids. Big screens inside and outside, live music every weekend and rare Irish whiskeys and gin. Time to drink like the Irish!

### ZONE 2

## CONCERT SQUARE

Concert Square has something for everyone! It has several bars around the perimeter to visit as well as bars in the immediate area. Whether you want to scream Take That songs in Popworld, Liverpool's premier pop venue, or whether you want to watch a load of goths slide tackle each other and sniff lines of Monster Energy in some of the indie bars just around the corner, there's plenty to tickle your fancy.

# PINS

PINS is all about having fun, real fun, proper serious fun. From bowling lanes to shuffleboard, they got it. They even have a little roof terrace for when it's el scorcio outside!

# POPWORLD

A guilty pleasure! A proper cheese fest - and we love it. 90's cheesy pop, naughty noughties and some timeless classics thrown in for good measure. There ain't no party like a Popworld party!

# COYOTE UGLY

If you're looking for a sophisticated, pompous Gin Bar then keep looking Karen, because this isn't it! If dancing on bars and wild antics is your thing - we recommend you check this place out!

## ZONE 3

### VICTORIA STREET

Victoria Street is an area which runs parallel to Mathew Street, it's close to the Birkenhead tunnel as well so it's not all fun and games.

From the more established bars, to the local favourites like Heaven, open till 7. If you fancy getting a face full of smoke whilst drinking a Carlsberg at 6.50am on a Sunday morning then this is the bar for you!

### TURTLE BAY

Rum, reggae and jerk. The Tastes of the Caribbean...in Liverpool. Come a long way from our traditional dish Scouse Stew, haven't we!? Getting well known in the city for its bottomless brunch - well with a look.

### SLUG & LETTUCE

2-For-1 Cocktails anyone? What garnish would you like with it? Edible mermaid tails? Fizzy watermelon slices? Maybe some cream with a cherry on top? Great little place to start the night off and located in the heart of the city centre.

### BIERKELLER

A huge Irish Pub. An Irish Pub on steroids. Big screens inside and outside, live music every weekend and rare Irish whiskeys and gin. Time to drink like the Irish!

## ZONE 4

### MATTHEW STREET

The world-famous Mathew Street hosts a number of bars, Beatles themed, punk themed and 80s themed, as well as traditional boozers and more lively clubs, there's literally something for everyone.

### FLANAGANS APPLE

A little hidden gem. Set over 3 floors. Top for pub grub, middle for drinks and basement to throw shapes. A floor for every stage of the night!

### KAISERKELLER

Inspired by The Beatles infamous 1960 Hamburg gig on the continent. Live Sports, Traditional Oompah Bands and the infamous Kaisergirls!

### SGT PEPPERS

Another Beatles themed Bar. Been dining out on the fantastic four for decades now haven't we! If you like live music and themed cocktails this is the place for you.

# FOOD

## **TURKEY TWIZZLERS, MASSIVE COCKS & TRASH CAN LIDS**

Activities. Check. Bars & Clubs. Check. So, what now? Time for the final piece of the jigsaw - The Food!

## **BALTIC MARKET**

Got a couple of fussy eaters in the group? The type of people who left school 15 years ago but still eat turkey twizzlers? Well this place has something for everyone.

Set in a European style food hall with ever changing local independent food vendors from zealous vegans to meat connoisseurs. Cool vibes and cool tunes!

## YARD AND COOP

Fried Chicken Afternoon Tea. Mind BLOWN! Not your average Chicken joint this gaff! Other fan favourites are the happy hour cocktails and the “Massive Cock” burger.

## CRAZY PEDROS

Ever been so hungry you could eat a pizza the size of a trash can lid? Well these guys can arrange that. Why not pair it with a frozen margarita or two? The only combination better than that would be Tyson Fury landing a 4 punch one on Piers Morgan’s chin.

### BREAKFAST BONUS

Going to give you a little bonus, aren't I? Feeling generous. Or maybe I'm hungover and I'm craving a fry up. Here are our Top 3 Picks for Breakfast:

## THE BRUNCH & COCKTAIL CLUB

Little classy number. Eggs florentine, eggs benedict and eggs oscar benedict. Eggs with names. A posh breakfast. For any of the sickos wondering “Can I get a cocktail with my breakfast?” - I don't know. Let me know if you can though!

## THE TAVERN CO

Famous in Liverpool. Always a queue outside the door on a weekend. This is around 10 minutes from City Centre but well worth the trip. Free tea & coffee too - who doesn't love a freebie?

## DALE STREET

Award winning breakfast that's sitting pretty at the #1 on Tripadvisor for “Liverpool Breakfast Restaurants”. Do I even need to add anything else to that?
